## International Contest "World Edible Oils"

AVPA - Paris 2026

### Who are we ?

AVPA is a NGO mainly composed of producers from all over the world. Its objective is to promote agricultural producers who develop their exceptional products from their country of origin

### Who can participate?

- The contest is open for all edibles oils producers or their groups (cooperatives, etc)

The "World Edible oils" contest is organized in two distinct parts:

- olive oils of which AVPA offers a richer classification than the usual classifications in order to allow the expression of all the traditional tastes encountered around the Mediterranean and in the world.
- seeds and nuts oils grouping together all virgin oils that can be made with any plant likely to be cold pressed to obtain edible oil, whether or not it is classified as oilseeds. In this section are also judged olive flavored oils or others.

### Why participate?

Compare yourself with other producers of excellence

-Obtain recognition for the work done and value the company and its employees in their environment

-Receive an impartial opinion on the product acceptance on the French and European market

-Increase sales in the national and international market.

**To participate**

**Register on : [www.avpa.fr](http://www.avpa.fr)**

**The samples should arrive in Paris  
before February 15th 2026!**

### Contest procedure

The jury is composed of edible oil experts, sensory analysis, and personalities from the world of gastronomy.

The best products in each category receive the award:

"Diplôme Produit Gourmet AVPA-Paris "  
(AVPA-Paris Gourmet Product Diploma)

The top three in each category will go up to the podium:

The producer receives a diploma and can display his medals on his packaging.
